DATE: Thursday, January 4, 2018

TO: Elementary Principals
Lisa Robinson, Director of Special Education
Fulvia Franco, Guidance Consultant

FROM: Laura Finlinson, Administrator of Curriculum and Staff Development
Ben Jameson, Director of Evaluation, Research and Accountability 

SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school and department has been asked to participate.

Project Title: "Does a Diagnosis Make a Difference? Examining the Utility of Etiology-Based Information for Teachers of Children with Neurogenetic Syndromes"

Applicant: Dana Jarvis

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school or department. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project will involve providing a list of emails of special education teachers (grades 1-6) and school psychologists to the research team who will contact these educators and solicit participation in a 10 minute online survey.

Thank you for your assistance.
