

## Jordan School District

Patrice A. Johnson, Ed.D., Superintendent of Schools  
West Jordan, Utah

# Intradistrict Communication

DATE: Friday, July 14, 2017

TO: Todd Quarnberg

FROM: Laura Finlinson, Administrator of Curriculum and Staff Development  
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Research Project

---

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: "Utilizing UDL Principles and the TPACK Framework as an Approach to Effectively Introduce Technology in an Experiential Learning Environment"

Applicant: Steven Manwaring

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project entails giving students in Mr. Manwaring's summer Field Science course two surveys and analyzing student input from those surveys to determine the best curricular course of action as the researcher works to implement instructional technology into the course using the TPACK framework. Mr. Manwaring will obtain parent consent before surveying students. The project will begin, with your final approval, immediately and end August 31<sup>st</sup>.

Thank you for your assistance.
