SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: "Technology, Primary Documents and Historical Inquiry"

Applicant: Melinda Mack

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your assistance in finding a secondary social studies teacher who would be willing to participate in this research project. Once a willing teacher has been found, the researcher will need to let me know the teacher's school and I will notify the school's principal. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

Thank you for your assistance.
