SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: "Integrating Math and Science: Making Connections in an Elementary Setting"

Applicant: Jason Hart

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project's purpose is to ascertain the effects of integrating math and science instruction on student achievement and will involve Mr. Hart's class as well as Vicki Sears' class. The researcher will need to obtain parental consent for student participation.

Thank you for your assistance.
