SUBJECT: Research Project

---

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Evolution: DNA and the Unity of Life

Applicant: Dina Dritts-Esser

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project deals with the effectiveness of a new Next Generation Science Standards-aligned curriculum unit in biology compared to existing units. Vynessa Campos would be participating in the study.

Thank you for your assistance.
