SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your department has been asked to participate.

Project Title: "Treatment Integrity of Behavior Intervention Plans (BIPs) in General Education Classrooms"

Applicant: Cade Charlton

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study through your department. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project will involve one of you sending out a recruitment email to school psychologists asking for de-identified BIPs for this BYU research team to analyze. It also involves you sending out a survey link to the writers and implementers of the BIPs that become part of the study.

Please let Ben Jameson in the Evaluation, Research and Accountability department know if you have any questions or concerns.

Thank you for your assistance.
