SAGE Benchmarks (3-6)

Testing window

All tracks: 8/22/2017 to 6/15/2018

SAGE benchmark tests allow teachers to give brief (15-30 min) online assessments for one reporting category or standard. These tests are designed to be used formatively. They are fixed-form tests, not adaptive. The questions are drawn from the SAGE Interim item bank. Student scores and responses are both visible in teacher reports. The scores and reports are accessed via AIR Ways Reporting instead of via ORS. Report guides: http://sageportal.org/wp-content/uploads/AIR-Ways-Benchmarks-School-Guide_09272016.pdf; http://sageportal.org/wp-content/uploads/AIR-Ways-Benchmarks-Teacher-Guide_09272016.pdf If you have questions, please contact Brooke Anderson at 801-567-8393 or brooke.anderson@jordandistrict.org. SLO Assessments

SLO assessments are included as part of each educator's evaluation. Departments, grade level teams, or teacher teams will choose to use an existing SLO or a common assessment and will determine the appropriate pre and post test dates. Administrators are asked to approve SLOs at the beginning of the year and review the status of SLOs during evaluations.

Is something missing or unclear? Please contact Brooke Anderson at 567-8393 or brooke.anderson@jordandistrict.org so she can update the bulletin accordingly.
