TO: Stacy Evans, Principal, West Hills Middle School

FROM: Laura Finlinson, Administrator of Curriculum and Staff Development
Ben Jameson, Director of Evaluation, Research and Accountability 

SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Project STITCH

Applicant: Colby Tofel-Grehl, USU

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The research project will determine the effectiveness of an instructional methodology called STITCH in science classes. Students will be given and pre- and post-test as well as a survey. Some students may be interviewed by the researcher as well. The science teachers in your school involved in the project will be filmed and interviewed. The researcher is required to seek *signed parent permission allowing their student to participate* in the research project.

Thank you for your assistance.
