Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Student Engagement in Traditional and Blended Physics Courses

Applicant: Marissa Beck, Montana State University

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project will take place in the researcher's own physics classes.

Thank you for your assistance.
