SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: "Queering Professional Learning: How Professional Learning Impacts Educators' Capacity to Support LGBTQ+ Students with Inclusive Curricula

Applicant: Kody Colvin, University of Utah

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The researcher indicated that you wanted to invite 1-2 staff members to participate with you. The Research Review Committee asked me to emphasize that it would need to be an *invitation* rather than a mandate for staff members to participate.

Thank you for your assistance.
