DATE: Friday, June 2, 2023

TO: Kaleb Yates, Principal of Jordan Hills Elementary

FROM: Carolyn Gough, Administrator of Teaching & Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Scaling Teachers' Professional Development for ASSISTments

Applicant: Mingyu Feng, WestEd

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The teacher is approved to participate so long as the research project *does not* interfere with the district's rollout of the new math curriculum. Please notify the teacher of the project's approval and this condition for approval.

Thank you for your assistance.
