SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Homework for 3rd Grade Chinese DLI

Applicant: Yvonne Grover, Southern Utah University

The project has received *conditional* approval by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The parent survey has several items that are skewed towards favoring homework. The committee felt that rewording those items to reflect a more neutral stance would generate more valid and reliable data. As soon as the parent survey has been revised and the committee approves the changes, the researcher is free to move forward with the research project.

Thank you for your assistance.
