SUBJECT: Research Project

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Teaching Letter-Sound Correspondences in Kindergarten

Applicant: Emily Gummersall, Southern Utah University

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study at your school. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project requested that the letter-sound correspondence intervention be provided in place of Walk to Read. The research review committee approved the project on condition that the letter-sound correspondence intervention be provided *in addition to* rather than in place of Walk to Read.

Thank you for your assistance.
