The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Study of the Impact of English Learner Classification and
Reclassification Policies (English Learner Entry and Exit
Policies)

Applicant: Eric Isenberg, Westat on behalf of the U.S. Department of Education

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to solicit your participation in a survey. Participation in the study is at your discretion.

The school survey will be distributed directly to principals. The district survey will be sent to Superintendent Godfrey, though Director Love-Day may have more direct access to the information the survey solicits.
