SUBJECT: Research Project

---

The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Exploring Current Use of Tactile Tangible Symbol Systems in the United States

Applicant: Sarah Ivy, University of Utah

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to obtain your permission to conduct the study through your visually impaired itinerant team. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

The project will involve working with visually impaired students and their adult educator support personnel.

Thank you for your assistance.
